I spoke with Devera about 10 days ago and she said they were making progress. I will call her this morning for an update and report back.

Andy,

Have you heard from Devera Scott on progress on the agreement in principle for the CD with Mountainre?

The RA was asking for an update. If no progress yet, he intends to call DNREC again.

Thanks

Rick

I spoke with Devera Scott, of the DE AG's Office. Devera expects to have the terms of the draft CD negotiated by the end of next week. Once she has an agreement in principle she will call me and describe the terms of the agreement. I will continue to keep you advised.
